## NOTICE

Enquiries regarding the purchase of any work exhibited should be addressed to the Secretary at the Gallery.

Further proofs of any Etching or Engraving, in most cases, may be obtained on application to the Hon. Secretary of the Gallery, if the work on the wall is marked "Sold."

All sold pictures are marked with a Red Star.

The Copyright of all works in the Galleries is reserved to the respective artists, unless special arrangements to the contrary are made.

## FOREWORD.

This year the W.I.A.C. have the honour of showing, for the International Section of their Annual Exhibition, a selection of paintings and sculptures of Contemporary Women Artists of the Netherlands, which have been especially chosen and brought to England. At our invitation Dr. Jane de Iongh, Cultural Attaché to the Royal Netherlands Embassy, has initiated and carried out all the arrangements in connection with these works and we should like to take this opportunity of offering to her our grateful thanks.

This will certainly be an unusual opportunity of seeing the work of women painters of the two nations hung side by side and of assessing the contribution they are making to the European Tradition.

February, 1949.
